Did You Know? Despite all the challenges of the past year, the Lord saw us through the storm as a church family and richly blessed us spiritually and financially. While we don't know what 2021 holds, He does! Pursuing life in Christ means that we confidently trust in His sovereignty over our lives. We will continue to prayerfully seek Him in all aspects of ministry and daily operations. Your continued faithful stewardship will enable us to accomplish His plan for Calvary Church as we begin our 2021-22 budget process.

For Discussion and Action:

1. What step do you need to take to more fully abide in Christ?
2. John challenges us not to "make a practice of sinning," are there any areas in your life that need to be dealt with thru confession, repentance and, abiding?
