CHURCH

Missing Church **His Priority** (Acts 1-2 & Colossians 1)

There are many aspects of the church we have been missing lately. But during this series we are digging into what we might be missing in our understanding of the church. We continue that journey today by looking at Jesus' priority for His church.

The Beginning of His Church (Acts 1-2)

The Priority For His Church (Colossians 1)

For Discussion:

How does the fact that “in everything Jesus is preeminent” (Col. 1:18) practically impact my daily life?

Since Jesus is the priority of the church, discuss how each of us can do even better at making His priorities our priorities.

What's Happening at Calvary

June 14, 2020

Welcome to Calvary Church! Even though we can't currently meet AT Calvary Church, we can and should still worship, serve, and live out our faith AS Calvary Church. Please continue to join us in worship through our weekly live streams until we can once again join together in person.

Regathering: We have targeted June 28 as the date we will invite you to return to our church building for our morning worship services at both 9 and 11 am. At first, there will be no other programming—no children or student ministries and no adult bible fellowships (ABF's). These ministries will slowly be reintroduced in phases. Over the next couple of weeks, we will provide you the answers to ALL your questions about what it will be like if you choose to join us on June 28.

RENEW2020 Update: Great News! Manheim Township has approved one of the three permits required to start the Fellowship Hall renovation project. This project includes updating and adding on to Fellowship Hall and expanding the kitchen and is set to begin June 22nd. Pray for a quick response to the remaining permits, safety for workers, and wisdom on how to best navigate this project. For more information on the entire project visit renew2020.org. If you would like to give to the project, select GIVE at the bottom of the page and use RENEW2020 as a designation.

Women's Summer Book Club: Looking for a way to connect and meet new friends over the summer? Do you enjoy reading and chatting about books? Find out more at calvarychurch.org/women.

Donate Blood and Change Lives: We are holding another blood drive this month on Monday, June 22, from 12–5pm! Let's come together as a church and community to help those in need. If you're interested in participating, visit redcrossblood.org and enter our local zip code (17601) in the top right corner to register.

Connecting through Prayer: Do you have a prayer need that you would like to share with others? Please visit the Calvary Church website and select the Prayer tab at the top of the page, fill out the form and someone will pray for your need. If you request someone to reach out to you, someone will respond in a timely manner.

Marriage Enrichment Elective: Are you ready to take your marriage to the next level? This elective will meet Sunday mornings, 9:00am, September 2020 through May 2021, and is taught by Pastor George May and Pastor Barry Ferguson. Registration is limited. For more details and online application go to calvarychurch.org/marriageenrichment.

The Resource Page is a Central Hub of activities, content, and where to go for more information during this time. Visit calvarychurch.org/resources.

Did You Know? The recent enactment of the CARES Act brought about some changes to individual charitable giving that we want you to be aware of:

- **For taxpayers who do not itemize their deductions:** The Act allows an above-the-line deduction for contributions of up to \$300. Even if you claim the standard deduction in 2020, in addition, you can write-off up to \$300 in charitable giving.
- **For those who itemize deductions:** The Act has increased deductible income limits for contributions by individual donors. Individuals can deduct up to 100% of their adjusted gross income (AGI) in 2020.

These contribution changes apply to cash contributions in 2020 only. Contributions to donor advised funds and supporting organizations do not qualify. Existing carryover rules of five years still apply for contributions over deductible income limits. Please consult your tax advisor for specific information relative to your tax status and to other CARES Act changes.
