**Congratulations Class of 2021:** We are so excited to celebrate our 2021 high school graduates, many of them having their graduations last week. They have endured so much in their senior year, but we are so thankful for how God has been at work in and through them during their time in Calvary Student Ministry. Would you join us in praying for this senior class, that they would continue to pursue life in Christ and that God would use them in mighty ways as they transition to life after high school.

**Congratulations to George May,** Pastor of Counseling and Family Ministries, for 25 years of ministry at Calvary Church. His biblical approach to counseling, teaching, leadership and pastoral care has impacted a countless number of individuals and families. Thank you, George, for your ongoing faithfulness to the Lord.

If you know of individuals or families who have food and/or clothing needs, please notify Angie Glick at [aglick@calvarychurch.org](mailto:aglick@calvarychurch.org). ## Framework: What is a Godly Worldview?

### God's Image

God created human beings in His image. It's the explanation for the beauty of humanity. Adam and Eve disobeyed God and sin entered the world. It's the explanation for the dysfunction of humanity. This biblical worldview is the explanation for what is so right and so wrong with us all—and thankfully, it also provides us the ultimate solution.

### God's Image (Genesis 1-2)

### Adam's Image (Genesis 5:3)

### Christ's Image (Colossians 1:13-15)

For Discussion:

*How should we view and treat others who are made in God's image?*

*How are you being conformed into the image of Christ?*

### Framework: What is a Godly Worldview?

We all have a worldview, a framework that shapes how we live. It is the lens through which we see, understand and interpret the world and our place within it. It answers the big questions of life. Do you know what has shaped your worldview? Do you know why another's worldview differs from yours?

What is a godly worldview and how do we live from it?
