Did You Know? We have completed a number of significant upgrades to our Calvary Care Ministry outreach that were approved by the Elders. These include upgraded refrigeration equipment, expansion of the food pantry to allow more packaged and fresh food selections, new signage, and revamped public reception area. If you know of individuals or families who have food and/or clothing needs, please notify Angie Glick at aglick@calvarychurch.org. The goal of our Calvary Care Ministry staff is to share the love of Christ by helping those in need. Thank you.

God not only created human beings in His image but also to function according to a specific design. This design includes understanding gender and marriage from God's perspective.

God's Design For Marriage: Man and Woman (Matthew 19:4-6)

Framework: What is a Godly Worldview?

We all have a worldview, a framework that shapes how we live. It is the lens through which we see, understand and interpret the world and our place within it. It answers the big questions of life. Do you know what has shaped your worldview? Do you know why another's worldview differs from yours? What is a godly worldview and how do we live from it?
