Did You Know? We are grateful to church leadership and staff for their diligent work in preparing our new budgets for the upcoming 2021-22 fiscal year beginning July 1. We had frozen our previous budget for a two year period (2019-2021) due to uncertainties created by the pandemic. Our financial goal is to honor God through faithful, Biblical stewardship. You will see this new financial information listed in the financial section of the bulletin beginning on July 4. If you have any questions, please contact our Business Manager, Dave Hostetter, at dhostetter@calvarychurch.org.

Framework: What is a Godly Worldview?

God's Glory

A worldview is a framework from which we view reality and make sense of the world. A biblical worldview is understanding God's story through the lens of Creation, Fall, Redemption and Restoration. Now that we have that understanding, what does it look like to live from that perspective and for the glory of God?

A Framework For God's Glory

Creation (Genesis 1-2)

Fall (Genesis 3-11)

Redemption (Genesis 12-Revelation 20)

We were once . . . (Titus 3:1-3)

He saved us . . . (Titus 3:4-7)

Be devoted to good works . . . (Titus 3:8)

Restoration (Revelation 21-22)

Discussion and Action:

In light of this series, discuss one way your framework has changed.

Framework: What is a Godly Worldview?

We all have a worldview, a framework that shapes how we live. It is the lens through which we see, understand and interpret the world and our place within it. It answers the big questions of life. Do you know what has shaped your worldview? Do you know why another's worldview differs from yours?
