

Remember
1 Timothy 4:6-16

As we continue to look at our biblical values in order to be reminded of what is most important, we look today at an individual's discipleship journey and how we can take also take intentional next steps.

Intentional Next Steps:

- Living God's Word (4:6-10)

- Investing in God's Work (4:11-14)

- Growing with God's People (4:15-16)

For Discussion and Action:

Am I living out what I am learning from the Bible?

Am I cultivating intentional relationships for growth?

Am I faithfully investing in God's work?
