

## I'm In

John 2:1-11 – page 887

As we discovered last week, God is always at work but sometimes we aren't aware of the transformation taking place. This week, we will see how Jesus allowed a few servants to get a first-hand glimpse of His very first miracle at a wedding in Cana.

There was a wedding at Cana (1)

“They have no wine.” (3)

“Do whatever he tells you.” (5)

“Now draw some out . . .” (8)

(though the servants who had drawn the water knew) (9)

And his disciples believed in him. (11)

### **Reflection and Action:**

Are you believing in Jesus based on the evidence from the Scriptures?

When I serve, I see the work of Jesus first-hand in my life and in the lives of others.
