

Come to Me

Lord, Teach Us to Pray

Luke 11:1 (p. 869)

Jesus calls us to Himself with the words, “Come to Me.” One way Scripture teaches us to do that is by developing a life of prayer, more deeply with our loving God. While prayer is a vast subject, today we will look at how we should prayerfully approach God both individually and with others.

I. Lord, teach us to pray... for Your will.

II. Lord, teach us to pray... even though You already know.

III. Lord, teach us to pray... with others.

Reflection and action: What steps will I take to draw closer in prayer to the One saying, “Come to Me”?
