

## **The New Me . . . in Christ**

*My New Freedom* – Colossians 2:16-23 (p. 984)

Free Agent, hands-free, free market, free kick, FEEEEEDOM! What does it mean to be free and experience freedom in Christ? As we continue in the book of Colossians, the Apostle Paul offers a warning to anyone who would take their focus off of Christ and be deceived to follow man-made lists of “do’s” and “don’ts.” Fullness and freedom is brought to us in Jesus. Why add anything else to His liberating good news?
