—Ephesians 6:18

How welcoming God is—inviting us to talk to Him about anything and everything, without pretense or reserve!

Our study this Fall will lead us to pray more like the prayer warriors who have gone before us, as we look into the lives of 12 biblical characters who poured out their hearts to God. We’ll examine the circumstances that led each one to pray, the heart behind their prayers, what they mentioned in their prayers, how God answered, ways their relationship with Him deepened, and how to apply their example to our lives today.

Your personal study of each lesson will include diligent digging in the Scriptures, thought-provoking questions, and practical action steps—all of which will increase your appetite to commune with your eagerly awaiting Father. This will then be enhanced by rich discussion in small groups as we gather together each week.

This 12-week Bible study will lead you into a deeper understanding of prayer as a pathway of intimacy with God, and a privilege that can impact the world in powerful ways.

Join us this Fall, as we learn together how to bend our knees in fresh ways.
