

## **Missing Church**

### **His People – Ephesians 2:13-22**

There are many aspects of the church we have been missing lately. But even as we look to regather next week, we need to make sure nothing is missing in our understanding of the church. We continue that journey today by looking at us, His people that make up His church.

But Now, God . . . (13-18)

. . . Brought Us Near (13)

. . . Brought Us Peace (14)

. . . Broke Down and Abolished (14-15)

. . . Created and Reconciled (15-18)

So Then, We Are . . . (19-22)

. . . Fellow Citizens and Family Members (19)

. . . Joined Together (21)

. . . Built Together (22)

#### **For Discussion:**

***How does viewing ourselves as family members in the church help us understand one another's value and role?***

***Discuss practical ways you can make sure we are not rebuilding walls of hostility that Christ has already broken down.***
