

Light. Life. Love

1 John 1:5-2:2 – Walk in the Light

John is writing to strengthen our faith by helping us understand who God is and how we maintain fellowship with Him. God is light so we should walk in the light by dealing honestly with the seriousness, the guilt and the presence of sin.

This is the message . . . God is light (1:5)

The blood of Jesus cleanses us (1:6-7)

He is faithful and just to forgive (1:8-9)

We have an advocate with the Father (1:10-2:2)

For Discussion and Action:

Have I been honest with God about my sin?

Am I confidently living in light of His forgiveness?
