

Framework: What is a Godly Worldview?

God's Glory

A worldview is a framework from which we view reality and make sense of the world. A biblical worldview is understanding God's story through the lens of Creation, Fall, Redemption and Restoration. Now that we have that understanding, what does it look like to live from that perspective and for the glory of God?

A Framework For God's Glory

Creation (Genesis 1-2)

Fall (Genesis 3-11)

Redemption (Genesis 12-Revelation 20)

We were once . . . (Titus 3:1-3)

He saved us . . . (Titus 3:4-7)

Be devoted to good works . . . (Titus 3:8)

Restoration (Revelation 21-22)

Discussion and Action:

In light of this series, discuss one way your framework has changed.
