

## **Going Into God's World**

(2 Peter 3:7-11)

Today we focus on our value of *Going into God's World* and consider the role we can play extending the Gospel right here and around the globe.

### **Deepen our Love**

God is patient toward you...

Not wishing any should perish...

But all should reach repentance.

### **Do Something About It**

1. Get Informed
2. Get Involved
3. Go
4. Give

### **Discussion in Action:**

*Make a plan to deepen your love for the world.*

*Make a plan to do something about it.*
