

## Lance & Jessica Kanagy

MAF | PAPUA INDONESIA

Lance & Jessica along with their son, Levi, are preparing for ministry with Mission Aviation Fellowship (MAF). They will serve in Papua Indonesia where Lance will be a pilot/mechanic and Jessica will be involved with caring for Levi and outreach to women and children in their local community.

Jessica will become a fourth generation Calvary Global Partner. She became a Christian at a young age while living as a third-culture kid in Brazil where her parents served among the Xavante people. Lance also grew up in Brazil where his parents served as missionaries. They met at a boarding school in Brazil for missionary kids. Married in 2014, they attended Moody Bible Institute. As part of Moody's aviation training, they embarked on a month-long internship in Indonesia in 2018, which kindled their love for reaching the lost in this area of the world.

MAF's purpose is to serve isolated communities by delivering food, medical evacuations, and agricultural supplies, which gives remote communities opportunities to grow. A significant aspect of ministry is to support Bible translation projects and delivering translators to remote areas.

Indonesia is made up of more than 17,000 islands and is the largest Muslim majority country with over 700 people groups and a little over 200 still unreached. Villages are separated by mountains with no outside roads. What would take days to reach on foot, MAF planes can carry translators to their destinations in a matter of minutes.

Lance & Jessica are excited to be commissioned today and make final preparations to move to Indonesia to play a part in sharing Jesus with isolated people groups.

# Commissioning

## What is a commissioning?

A commissioning is the act of entrusting both the individual and the church with being sent on a mission.

***"So after they had fasted and prayed, they placed their hands on them and sent them off."***

***Acts 13:3***

The "laying on of hands" symbolized that everyone was becoming practically bound together for the sake of the mission.

***On Sunday, May 23rd, we commissioned Lance & Jessica Kanagy to be Calvary Global Partners and serve in Papua Indonesia with Mission Aviation Fellowship.***
