## The Life of David

David's Story – Acts 13:22

Besides Jesus, we know more about David than any other person in the Bible. He was a shepherd, poet, musician, warrior, and king. As we engage with his story of preparation, triumph, tragedy, and redemption, we will see God's grace, mercy, sovereignty, and purpose on full display. As David deals with God—but maybe more importantly as God deals with David—we will see first-hand what it means to be a person after God's own heart.
